

Implementing the Disability Discrimination Act in schools and early years settings

A training resource for schools and local authorities (a shortened pack)

The shortened pack (containing the 3 DVDs and CD-ROM) has been put together to provide access to additional copies of the Implementing the Disability Discrimination Act in schools and early years settings training resource. The pack is for schools and local authorities and those working with them to support disabled children and young people. It will be of interest to professionals working in the early years sector; providers of training for teachers and learning support assistants and their students, disability and parental support and advocacy organisations and health and social service professionals.
